

Guidelines for Family Support Network logo usage

Family Support Network Logo

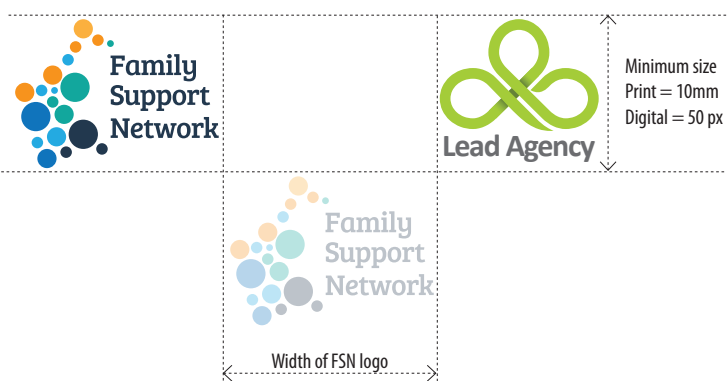

Co-badging with lead agency

The Family Support Network logo must be displayed to the left of the lead agency's logo, with spacing and minimum sizing as depicted below.

Full colour version is preferred for all documents.
Mono logo version can be used where colour is not appropriate.

Relative sizing, spacing and minimum size

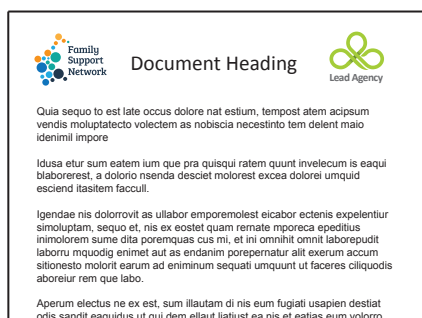

Mono version

Alternate layout

While not the preferred option, where space is an issue on a document the following layout may be used.

Documents and Resources

Any lead agency wishing to make significant amendments to any of the FSN forms, documents or resources should contact EIFSS_Implementation@communities.wa.gov.au to discuss prior to doing so.
